Residential Multi-Stream Rotating Nozzle Retrofit Rebate Eligibility Requirements

Call 503-848-3056 first to verify if funds are still available!

- Receive up to a $3 per nozzle rebate when you replace your existing nozzles. Limit: 32 nozzle rebates per property. The total rebate per nozzle will not exceed the receipt amount.
- Rebates are for replacing existing nozzle(s) with multi-stream, multi-trajectory, matched precipitation, adjustable arc, rotating nozzles. New installations and pre-existing nozzles are not eligible.
- Applicants must live in a single-family residence within the Tualatin Valley Water District, including a house, condominium, duplex/multiplex or manufactured home with a single or master meter.

**NOTE:** Customers in the City of Beaverton Withdrawal Areas, Valley View Water District and apartment owners* currently **DO NOT** qualify for rebates.

- The applicant must have a current TVWD water account in good standing or be the owner of the master metered (condominium, duplex/multiplex or manufactured home) residence within the District as verified by TVWD.
- Verify the new device(s) qualifies for the rebate and funds are still available. E-mail conservation@tvwd.org or call 503-848-3056.
- Applications must include a copy of an itemized sales receipt from a retailer or contractor that specifies the purchase date, purchase price and manufacturer.
- The application must be received by TVWD within 90 days of purchase date.

*Are you an apartment owner or business interested in a rebate? Visit www.tvwd.org or contact our Business, Industry and Government Program at (503) 848-3064 or bigconservation@tvwd.org.

For Contractor Installations

- Prior to approval, an on-site inspection may be required by TVWD.
- The verification portion of the application form must be filled out completely.

For Homeowner Installations

- If installation is done by the homeowner, prior approval must be obtained by TVWD before installation by calling 503-848-3064.
- The verification portion of the application form must be filled out completely.
- An on-site inspection by TVWD is required after installation is completed. Call 503-848-3036 to schedule an appointment. After the TVWD inspection, upon approval, the rebate will be processed.

How To Apply

1. After purchasing and installing your multi-stream rotating nozzles per the eligibility requirements outlined above, complete this Residential Rebate Application form and attach a copy of the receipt.
