

Eligibility Requirements

Weather-Based Irrigation Controller Rebate

- ◆ Receive a **\$50** rebate when you purchase and install a **WaterSense** labeled irrigation controller. Applicants must live in a single-family residence within the Tualatin Valley Water District, such as a house, condominium, duplex/multiplex or manufactured home served by a single meter or a master meter.

NOTE: Customers in the [City of Beaverton Withdrawal Areas](#) and **Valley View Water District** currently **DO NOT** qualify for rebates.

- ◆ Applicant must have a current TVWD water account in good standing or be the owner of the master metered (condominium, duplex/multiplex or manufactured home) residence within the District as verified by TVWD.
- ◆ New controller must be a **WaterSense** labeled weather-based irrigation controller. To verify if your new device qualifies for the rebate, a complete list of qualified devices can be found at www.epa.gov/watersense/products/controltech.html.
- ◆ Applications must include a copy of an itemized sales receipt from a retailer or contractor supplier that specifies the purchase date, purchase price, manufacturer and model.
- ◆ The total rebate per item will not exceed the receipt amount. Accessories and labor are not included. Limit: 1 rebate per property.
- ◆ The application must be received by TVWD within 90 days of purchase date.
- ◆ The Backflow Prevention Verification portion of the application form must be filled out completely.
- ◆ Prior to approval, an on-site inspection may be required by TVWD.

How To Apply

1. READ THESE INSTRUCTIONS COMPLETELY.
2. Checklist
 - Select the right controller with an EPA **WaterSense** label! A list of rebate eligible irrigation controllers can be found at www.epa.gov/watersense/products/controltech.html.
 - Verify your irrigation system has an approved backflow prevention assembly that's tested annually.
 - Make sure your irrigation system is in good working condition and always repair any damaged or broken components immediately to avoid wasting water.
3. After purchasing and installing your new Weather-Based Irrigation Controller per the eligibility requirements outlined above, complete this Residential Rebate Application form and attach a copy of the receipt.
4. Choose the most convenient option to submit the application and receipt:

Mail: TVWD, Attn: Rebates, 1850 SW 170th Ave, Beaverton OR, 97003

Fax: 503-356-3164

E-mail: conservation@tvwd.org

For more information, call 503-848-3056. Please allow 4-6 weeks for processing.

Rebate applications that are incomplete, lacking required documentation or missing a signature will be returned. TVWD is not responsible for items lost or delayed in the mail.

Backflow Prevention Verification

Please provide the following information for your approved backflow prevention assembly. This information can be found on your Annual Backflow Assembly Test Report provided by your contractor or by inspecting the assembly. If you have questions about backflow prevention requirements in the State of Oregon or how to determine if you have an approved assembly, please contact TVWD's Water Quality staff at (971)327-6285 or email backflow@tvwd.org.

Rebate Agreement/Release of Liability

The Tualatin Valley Water District may deny any application that does not meet all of the TVWD Weather-Based Irrigation Controller Rebate Program Eligibility Requirements. Tualatin Valley Water District reserves the right to alter or cease this program at any time. TVWD is not responsible for the quality of hardware purchased and does not warrant any irrigation hardware or installation of irrigation systems. TVWD does not guarantee lower water bills as a result of participating in the Weather-Based Irrigation Rebate Program. TVWD is not responsible for any damage that may occur to applicant's property as a result of installing the new irrigation hardware under this program. The undersigned agrees to allow TVWD, with notification to enter the property to inspect the installation of irrigation equipment to assure program requirements are met. The undersigned agrees to hold harmless TVWD from and against all loss, damage, expense and liability resulting from or otherwise relating to the purchase, installation, use or removal of weather-based irrigation controllers.

I certify the information I have provided is true and correct, and I have purchased the goods and/or services for use at the location indicated. I grant permission to Tualatin Valley Water District, with notification, to enter upon the property to inspect the installation of rebate goods and/or services to assure program requirements are met. I understand rebates are distributed on a first-come first-served basis until funds are distributed.
