4. BUSINESS AGENDA

   A. Rules of Conduct: Potential Amendment of Article C.2 Relating to Special Meetings

Mr. Balfour presented background and amendment alternatives for consideration related to a concern raised at the last Board meeting regarding Article C.2 of the WIF Board of Commissioners Rules of Conduct, which were approved at the July 20, 2018 Board meeting. Article C.2 currently reads “Special meetings may be called by the Chair or any two Board members.”

Mr. Balfour clarified quorum and unanimous vote requirements and asked if the Board wished to amend the rule regarding special meetings or leave it as currently written.

Commissioners agreed on the need to clarify the rule regarding special meetings and agreed on the wording of suggested alternative number two, striking the words “issuance of debt”.

   “2. Special Meetings may be called by the Chair or any two Board Members, but action or decisions regarding addition of new members, amendment or modification of the IGA, dissolution, issuance of debt, default of a member, or change of capacity allocations shall only occur at a regular meeting unless hardship or emergency factors exist.”

Motion was made by San Soucie, seconded by Doane, to modify Article C.2 of the Rules of Conduct as stipulated in the staff report as alternative number two, striking the words “issuance of debt”.

The motion passed unanimously with Doane, Garland, Godsey, Goodhouse, Knapp, and San Soucie voting in favor.

   B. Consider adopting Resolution No. WIF-05-18, a resolution adopting the Raw Water Facility Project Plan.

Mr. Carlton presented background and budget impact information regarding the Raw Water Facility Project Plan and asked the Board to consider adopting Resolution No. WIF-05-18.
Motion was made by San Soucie, seconded by Garland, to adopt Resolution No. WIF-05-18.

The motion passed unanimously with Doane, Garland, Godsey, Goodhouse, Knapp, and San Soucie voting in favor.

C. Consider adopting Resolution No. WIF-06-18, a resolution amending and adopting a supplemental budget for the 2018-19 fiscal year regarding capital outlay for the Willamette Intake Facilities Commission.

Mr. Carlton presented the background and budget impact regarding the proposed Fiscal Year 2018-19 capital outlay for the Willamette Intake Facilities Commission, including a table reflecting each partner’s share.

Motion was made by Doane, seconded by Knapp, to adopt Resolution No. WIF-06-18.

The motion passed unanimously with Doane, Garland, Godsey, Goodhouse, Knapp, and San Soucie voting in favor.

D. Consider approving WIF Insurance Renewal Recommendation.

Mr. Jacobs presented staff’s recommendation that the Board grant authority to the WIF General Manager to approve the 2019 property and liability insurance renewal with Special Districts Insurance Services (SDIS).

In answer to Commissioners’ questions, staff replied that the WIF Commission does not currently own automobiles, therefore owned automobile coverage is excluded. This coverage can be placed when it becomes a need. The policy term is per calendar year.

Motion was made by Garland, seconded by San Soucie, to grant authority to the WIF General Manager to approve the 2019 property and liability insurance renewal with SDIS.

The motion passed unanimously with Doane, Garland, Godsey, Goodhouse, Knapp, and San Soucie voting in favor.

5. INFORMATION ITEMS

A. WIF Plans Development Strategy

Mr. Kraska presented the development strategy for the three plans required by the Willamette Intake Facilities Commission Intergovernmental Agreement (IGA), which are the Operations Plan, the Curtailment Plan, and the Emergency Response Plan. (See attached presentation.)

In answer to Commissioner’s question, staff replied that we are in the beginning stage of the concept regarding which plan(s) will house the delegation of responsibilities for response to challenges, such as harmful algal blooms. Staff listed a number of questions to be evaluated during the development of this concept.

Commissioner Knapp encouraged staff to clearly define the line of authority and lead protocol for emergency response scenarios, leaving no doubt regarding who is responsible for each step.
Commissioner San Soucie expressed the desire for gathering and managing data appropriately for the benefit of operational understanding.

B. Report on the Financial Affairs of the Willamette Intake Facilities Commission

Mr. Matthews presented an overview of the audited WIF Commission Basic Financial Statements for the three months period ended June 30, 2018, and the unaudited Quarterly Financial Report for the period ended September 30, 2018. Partners will be invoiced on a quarterly basis. (See attached presentation.)

In answer to Commissioners’ questions, staff replied that during this quarter TVWD covered staff expense, because the WIF Commission did not yet have an adopted budget. An example of Business Expense is meals for Board meetings.

C. The next Board meeting is scheduled on January 28, 2019, at Tualatin Valley Water District – Board Room.

6. COMMUNICATIONS AND NON-AGENDA ITEMS

A. None scheduled.

ADJOURNMENT

There being no further questions or business, Chairman Godsey adjourned the meeting at 6:53 p.m.
